ELIGIBILITY

This application is open to the following types of public organizations:

- Iowa Campus Compact member higher education institutions
- State and local government organizations
- Indian Tribes
- Nonprofit private organizations

Priority will be given to community organizations that have existing partnerships with Iowa Campus Compact member higher education institutions. Nonprofit sites should only apply if they have a demonstrated interest in building and expanding these partnerships. Please note that eligible nonprofit private organizations are not limited to those with IRS 501(c) (3) status, but, rather, all organizations with IRS 501(c) status that focus on anti-poverty community development.

OTHER CONSIDERATIONS

- Organizations that focus solely on **ADVOCACY** and **LOBBYING** are *not* eligible.
- Organizations that have **PREVIOUSLY SPONSORED VISTA PROJECTS** for more than three (3) years may apply with a *new* project and program emphasis. They must demonstrate a prior successful record in project management and achieving results.

TECHNICAL ASSISTANCE

Questions can be directed to IACC VISTA Program Coordinator Monique Ellefson (mellefson@compact.org, 515-235-4008).

Interested applicants are encouraged to schedule a **PRE-APPLICATION CONSULTATION**, which lasts approximately one (1) hour, where we will discuss your project goals and how your goals can connect with the IACC VISTA Community Corps program. The goal of this consultation is to ensure that the applicant organization's project fits within the scope of our program and they are prepared to recruit, orient, and supervise the AmeriCorps VISTA member(s).

HOST SITE OBLIGATIONS

BASIC REQUIREMENTS

Host sites develop and manage projects with the involvement of the communities that will be served. The beneficiary of any VISTA initiative are those living in poverty. The goal for every VISTA program is for the host site to sustain the VISTA member's outcomes beyond the service term. Host sites must be able to:

- Direct the project
- Recruit and supervise the VISTA member(s)
- Provide necessary administrative support to complete the goals of the project.

COST SHARE

The cost to participate in the Iowa Campus Compact VISTA Community Corps program this year is expected to be **\$5,000**. The Cost Share is associated with the cost of providing VISTA members with their monthly living allowance.

- IACC pays member cost-of-living stipends directly and is reimbursed for a portion, but not all, of those costs through the federal grant; *host site cost share covers the rest*.
- Cost-share amounts may *vary* from year-to-year.
- If a site is unable to recruit a member or if a member does not complete their term of service, *sites will not be reimbursed*.
- Host sites will be invoiced for their Cost Share *after* award notification and are expected to make payment *by the beginning of the VISTA member's term* unless other arrangements have been made.

INSTITUTIONS OF HIGHER EDUCATION

Iowa colleges and universities participating in the IACC VISTA Community Corps program must be members of Iowa Campus Compact. The recruited VISTA(s) will spend the majority of their time on campus working to strengthen partnerships between your institution and multiple community partner organizations that focus on issues related to either education or economic opportunity.

- ✓ Responsible for paying the cost share
- ✓ Identify community partner organization(s)
- ✓ Lead recruiting efforts to find a VISTA member
- ✓ Draft a VISTA Assignment Description (VAD) to include VISTA member activities, goals, and outcomes
- ✓ Provide housing support and/or meal assistance, if possible, for the VISTA member
- ✓ Identify a staff member to serve as a supervisor for the VISTA member, who will provide ongoing supervision, and assist the VISTA in completing monthly and quarterly progress reports to Iowa Campus Compact
- ✓ Provide a work station for the VISTA member that includes a computer and phone

PUBLIC ORGANIZATIONS

Iowa public organizations participating in the IACC VISTA Community Corps program will have their VISTA member(s) spend the majority of their time serving at the public organization (nonprofit or government agency) in order to expand capacity for the public organization. We also expect that the organizations we support have existing partnerships with one or more of our higher education institution members and are seeking to strengthen those partnerships through the VISTA position.

- ✓ Responsible for paying the cost share
- ✓ Lead recruiting efforts to find a VISTA member
- ✓ Draft a VISTA Assignment Description (VAD) in consultation with the higher education partner
- ✓ Provide housing support and/or meal assistance, if possible, for the VISTA member
- ✓ Identify a staff member to serve as a supervisor for the VISTA member, who will provide ongoing supervision, and assist the VISTA in completing monthly and quarterly progress reports to Iowa Campus Compact
- ✓ Set up and maintains a clear structure for regular contact with the higher education institution to build the partnership and support the VISTA member's efforts
- ✓ Provide a work station for the VISTA member that includes a computer and phone

IACC VISTA COMMUNITY CORPS PROGRAM PRIORITIES

This year's priorities are guided by the CNCS Strategic Plan, AmeriCorps VISTA's statutory mandate to focus on eliminating poverty, and Iowa Campus Compact's strategic plan. IACC expects that AmeriCorps VISTA resources will be invested in building the capacity of anti-poverty programs and organizations operating in these programming areas:

- Economic Opportunity
- Education
- Healthy Futures

SPECIAL CONSIDERATIONS

Priority will be given to projects that serve areas of **CONCENTRATED POVERTY**.

- This is defined as Census tracts or counties with 20 percent or higher poverty rates. These can be rural or urban areas and the projects can be located in or serve high-poverty areas.

Further consideration should be given to **PERSISTENT POVERTY** areas.

- This is defined as those areas that have had a poverty level of 20 percent or higher for 30 years or more.

Given the generational and systemic nature of poverty, every effort should be made to target AmeriCorps VISTA resources to these areas. To assist in targeting these areas, the US Department of Agriculture (USDA) has developed a [concentrated poverty mapping tool](#) to more easily identify these areas.

CAPACITY BUILDING PROJECTS

Iowa Campus Compact is interested in supporting VISTA projects that **DEVELOP, EXPAND, or ENHANCE** the organization’s **ABILITY TO ELIMINATE POVERTY**. Applications with proposed VISTA projects that are solely focused on the AmeriCorps VISTA members delivering direct services will not be considered.

CNCS defines capacity building as: **“A SET OF ACTIVITIES THAT EXPAND THE SCALE, REACH, EFFICIENCY, OR EFFECTIVENESS OF PROGRAMS AND ORGANIZATIONS.”**

Member activities may also increase the ability of the program or organization to **LEVERAGE RESOURCES**.

- For example, capacity-building activities may expand services, enhance delivery of services, or general additional resources.
- These activities achieve lasting positive outcomes for the beneficiary populations served by CNCS-supported organizations.

Applicants must select from one of the following capacity building goals for their organization.

- **SCALE/REACH.** You aim to increase your organization’s or program’s ability to serve more people, serve new groups of people, or provide new or expanded types of services
- **EFFECTIVENESS.** You aim to increase your organization’s or program’s ability to achieve better outcomes for beneficiaries.
- **EFFICIENCY.** You aim to increase your organization’s or program’s ability to provide improved outcomes for beneficiaries with the same level of resources or to improve or maintain consistent quality of services with fewer resources.
- **LEVERAGED RESOURCES.** You aim to increase your organization’s or program’s ability to generate additional resources or assets, such as funding, volunteers, in-kind support, and partnerships.
- **CREATE YOUR OWN.**

Applicants must also select service activities from the list below. AmeriCorps VISTA members are expected to adhere to the identified service activities in order to alleviate poverty in the local community.
