Overview

PURPOSE

Iowa & Minnesota Campus Compact (IAMNCC) is seeking interested higher education, nonprofit, or government agencies to serve as host sites for our Campus Compact VISTA program. [AmeriCorps VISTA](#) (Volunteers in Service to America) is a federally funded program supported by [AmeriCorps](#) that seeks to build capacity for organizations that alleviate poverty in our communities.

MAIN COMPONENTS

- Selected sites will receive an AmeriCorps VISTA position for up to the next three (3) years and are evaluated each year for continuation.
- Host sites are required to pay a Cost Share of \$5,500 (each year) for each member they enroll into the program. Community sites must enroll in the IAMNCC Affiliates program. Cost Share payments will off-set affiliate membership dues.
- VISTA members serve full-time over 12 months and build capacity in one of three priority areas: health, education, or opportunity.
- IAMNCC is interested in awarding projects that provide academic or basic needs support to low-income college students in obtaining a post-secondary degree, or partnerships between higher education and community agencies that alleviate poverty in the local community.
- IAMNCC is especially interested in award projects that support racial justice in communities across Iowa and Minnesota.

ABOUT IOWA & MINNESOTA CAMPUS COMPACT

Iowa & Minnesota Campus Compact (IAMNCC) strengthens the capacity of colleges and universities to fulfill the public purposes of higher education through its network of 58 campuses. This includes educating students through community and civic learning experiences and making an impact in communities through reciprocal partnerships that address community-identified goals. IAMNCC creates partnership opportunities, supports quality programming through professional development, and promotes the importance of the civic mission. IAMNCC is the intermediary organization between AmeriCorps VISTA and Campus Compact VISTA host sites. The IAMNCC VISTA program operated by Iowa Western Community College where all AmeriCorps VISTA financial, payroll, and human resource expenses are centralized.

ABOUT CAMPUS COMPACT MEMBERSHIP

Higher education institutions interested in VISTA support must be or plan to become members of IAMNCC. Higher education institutions can become members at any time or upon being accepted as a VISTA host sites. Membership dues are based on institutional enrollment.

Community-based organizations selected as VISTA host sites must be willing to become part of the IAMNCC affiliates program. The affiliates program is for non-profit and public organizations that value partnering with higher education and are seeking additional opportunities to engage with community-campus partnerships. Affiliate benefits include access to workshops on civic/community engagement, access to external resources that build capacity for campus-community partnerships, consideration for

board membership, networking with other affiliates and higher education members, and more. [More information on the Affiliates program and benefits is on the IAMNCC website.](#) Affiliate membership dues are based on organizational staff size. The VISTA cost share amount will be reduced by the dues rate.

With questions about membership or affiliation, please contact Jane Turk at 612-436-2080 or jturk@compact.org.

ABOUT AMERICORPS VISTA

VISTA stands for [Volunteers in Service to America](#). VISTA was initially founded in 1964 to fight poverty in America and is a federal program. When AmeriCorps was founded in 1993, VISTA was brought under the AmeriCorps program umbrella. VISTA is distinguished from other AmeriCorps programs by its unique focus on supporting capacity-building projects that bring people out of poverty.

AMERICORPS VISTA BENEFITS

Campus Compact VISTA members receive:

- A living stipend paid out bi-weekly over 12 calendar months.
 - living allowance rate: \$36.71 daily, \$513.94 bi-weekly, \$13,399.15 Total
- Health care benefit through the Corporation for National and Community Service
- Mental health and legal counseling benefits through the Member Assistance Program
- Professional development and networking opportunities
- Upon successful completion of the full term of service, the Member will receive an education award of \$6,345 or \$1,800 post-service stipend, from the National Service Trust.
 - If the member chooses the education award they put federally qualified student loans into forbearance during the member's service year.
 - If the VISTA member has received forbearance on a qualified student loan during the term of service, and the member successfully completes the term of service, the National Service Trust will repay a portion of the interest that accrued on the loan during the term of service.
- \$750 settling-in allowance to individuals moving a distance of 50 miles or more for the AmeriCorps VISTA position.
- Ten days of personal leave and ten days of medical leave are available during the year of service. Each can be used with the approval of the site supervisor.
- Child-care benefits for children under 13. More information can be found at <http://www.americorpschildcare.com/>.
- One-year noncompetitive status for a federal government job.

COST SHARE

IAMNCC host sites are required to pay cost share based on the successful recruitment of their AmeriCorps VISTA position(s). The cost share rates for the 2021/22 program year are as follows. **COST SHARE PAYMENTS WILL NOT BE RETURNED UNDER ANY CIRCUMSTANCES.** Delayed cost share payments may delay the start of the VISTA member in the program.

\$5,500 New partners and returning partners that are in their third or fewer year of partnering with Campus Compact.

\$8,750 Continuing VISTA projects who are in their fourth or greater year in partnership with the Campus Compact VISTA project.

WAIVERS

Partners that are in the fourth or greater year may request a waiver from the increased cost share amount in their application. Campus Compact will consider waiving the increased cost share amount if the VISTA project site can reasonably demonstrate the following.

Submitting a waiver request does not guarantee the applicant the waiver will be approved. Campus Compact holds the final decision on all waiver requests.

The fourth year VISTA project is substantially different from previous programs. This may include, but is not limited to;

- The project is benefiting a different department or office
- The project is focused on a different beneficiary group
- The project is aligned with a different priority area (Health Corps, Education Corps, Opportunity Corps)
- The project was unable to be completed in three years due to compelling circumstances beyond the control of the host site

DISCOUNTS

IAMNCC is offering \$1,000 discounts to cost share payments if the host site provides additional benefits to the AmeriCorps VISTA member. To apply for the discount, host sites should describe the estimated costs and benefit that they are providing the AmeriCorps member. Benefits must support the VISTA member's living costs and cannot include project-related costs that the host site is already responsible for supporting. Living costs include, but are not limited to, housing, food, among others. Project related costs include, but are not limited to, project-related travel, parking, supervision costs, office supplies, among others.

Program Goals

IAMNCC STRATEGIC PLAN

IAMNCC launched new strategic initiatives when it announced the Strategic Alliance between Iowa and Minnesota Campus Compact. The alliance allows our states to operate more efficiently and effectively so that we can work with more of our member's students, staff, faculty, and partners to address the most pressing issues that face us all from political polarity to student food insecurity to workforce readiness. Together, we have identified four strategic priorities for the next three years.

- (1) Inspire and support action on campuses for social change.
- (2) Connect people across higher education sectors for collaboration.
- (3) Co-create solutions to address community challenges.
- (4) Give voice to higher education's critical role in communities and democracy.

You can learn more about [our strategic priorities on our website](#).

DIVERSITY, EQUITY, INCLUSION, AND FULL PARTICIPATION

IAMNCC is committed to ensuring all aspects of its operations and programs are achieving full participation. "Full participation is an affirmative value focused on creating institutions that enable people, whatever their identity, background, or institutional position, to thrive, realize their capabilities, engage meaningfully in institutional life, and contribute to the flourishing of others," (Sturm 2006, 2010). We are dedicating our programs and operations to achieve this goal. Our VISTA program is dedicated to achieving this in all aspects including host site and member recruitment, member training, and program strategic priorities.

CAMPUS COMPACT VISTA STRATEGIC GOALS

The Campus Compact VISTA program is guided by the AmeriCorps VISTA statutory mandate to improve the capacity of public organizations to eliminate poverty. IAMNCC has selected one capacity building focus area and three anti-poverty focus areas for the Campus Compact VISTA program.

IAMNCC will not support a project that duplicates or displaces current staff, volunteers, or other personnel of the host site under any circumstances.

CAPACITY BUILDING STRATEGIC GOALS

VISTA projects expand the scale, impact, and resource-leveraging ability of specific anti-poverty programs that remain long after an individual VISTA member serves. VISTA members strengthen sponsors' efforts by expanding community partnerships, securing long-term resources, and addressing specific local needs, with all activities focused on creating pathways out of poverty for low-income communities. VISTA members must focus on building the capacity of specific anti-poverty programs and interventions and not on general capacity building for the sponsor or its sites.

IAMNCC will support projects that fit within one of the following Capacity Building focus areas.

- **SCALE/REACH.** You aim to increase your organization's or program's ability to serve more people, serve new groups of people, or provide new or expanded types of services

- **EFFECTIVENESS.** You aim to increase your organization's or program's ability to achieve better outcomes for beneficiaries.
- **EFFICIENCY.** You aim to increase your organization's or program's ability to provide improved outcomes for beneficiaries with the same level of resources or to improve or maintain consistent quality of services with fewer resources.
- **LEVERAGED RESOURCES.** You aim to increase your organization's or program's ability to generate additional resources or assets, such as funding, volunteers, in-kind support, and partnerships.
- **CREATE YOUR OWN.**

ANTI-POVERTY STRATEGIC GOALS

IAMNCC is dedicated to using its VISTA program to eliminate poverty in communities across Iowa and Minnesota. IAMNCC will only support projects that seek to eliminate poverty and not those that are solely focused on preventing poverty from occurring to populations that are not currently in poverty.

IAMNCC will only support projects that fit within one of the following strategic areas. Each strategy has a list of priority areas. Campus Compact VISTA supports projects that fall outside of these priority areas if the VISTA project is well-designed and vital to the target population.

STRATEGY 1: Health

The VISTA program will give priority to projects that meet health needs for economically disadvantaged individuals.

Priority areas include:

- College student basic needs including, but not limited to, health care access, food access, housing assistance, financial education, and mental health support
- Addressing racial disparities in health outcomes
- Campus-community partnerships that are focus on improving health outcomes in a low-income population

STRATEGY 2: Education

The VISTA program will support projects that enhance access to services and resources that contribute to improved educational outcomes for economically disadvantaged youth.

Priority areas include:

- Low-income students' access into college/university programs or institutions
- Retention of low-income college students
- Addressing racial disparities in educational outcomes
- Campus-community partnerships that focus on improving education outcomes in a low-income populations

STRATEGY 3: Opportunity

AmeriCorps VISTA's commitment to ending poverty requires focusing on project sponsors that provide opportunities to low-income individuals to get workforce training, education, and skills that will meet the needs of employers. In addition, projects that focus on housing are strongly encouraged to apply.

Priority areas include:

- Connecting homeless or near homeless college students to community services
- Financial education, tax preparation, and employment skills for low-income college students
- Addressing racial disparities in access to housing and workforce development
- Campus-community partnerships that focus on improving economic opportunity outcomes in a low-income population

PROGRAM PERFORMANCE MEASURES

AmeriCorps VISTA has set the following performance measures for the 2020 program year. Campus Compact VISTA host sites must select one output and one outcome for your selected anti-poverty focus area. Please remember to review the data collection and reporting requirements prior to selecting a performance measure output and outcome.

CAPACITY BUILDING PERFORMANCE MEASURE

The fundamental purpose behind the Campus Compact VISTA program is to improve the capacity of our partners to develop partnerships between higher education and community organizations. To that end, we are using the following measures to assess a VISTA project's ability to improve the capacity of the host agency.

OUTPUT: Number of Campus Compact VISTA host sites that receive capacity building support from their AmeriCorps VISTA member

OUTCOME: The number of Campus Compact VISTA host sites that increase their efficiency, effectiveness, and/or program reach as a result of the AmeriCorps VISTA member's service.

MEASUREMENT TOOL: The host site will complete an assessment tool in the last month of their AmeriCorps VISTA member's term of service. The host site identifies the specific capacity-building outcomes the member worked toward completing and describes any projects or accomplishments. Iowa Campus Compact will count the host site for this measure if the host site demonstrates in their assessment that the VISTA member's activities have already or will likely lead to increased capacity in the near future.

OTHER PERFORMANCE MEASURES

In addition, the AmeriCorps performance measures listed above, IAMNCC will also ask all partners about the following measures. IAMNCC uses this information to better understand the effects VISTA projects are having on meeting student basic needs, partnerships, and student learning.

- Number of students served to meet basic needs as a result of the VISTA project.
- Number of campus-community partnerships created, sustained, or strengthened as a result of the VISTA project.
- Number of students involved in an experiential learning opportunity as a result of the VISTA project.

Application Information

TECHNICAL ASSISTANCE

Questions can be directed to Kara Trebil-Smith, Program Manager (ktrebilsmith@compact.org).

New and returning applicants are required to schedule a **PRE-APPLICATION CONSULTATION**, which lasts approximately one hour, where we will discuss your project goals and how your goals can connect with the Campus Compact VISTA program. The goal of this consultation is to ensure that the applicant organization's project fits within the scope of our program and they are prepared to recruit, orient, and supervise the AmeriCorps VISTA member(s).

Email Kara Trebil-Smith (ktrebilsmith@compact.org) to schedule your consultation today.

SELECTION

IAMNCC will select host sites and make awards based on several criteria, including: the host site's ability to recruit members, manage the project, and effectively supervise and support VISTA members.

Host sites requesting continued support will be reviewed through these additional items:

- Host site reports; attainment of Performance Measure Goals
- Enrollment and retention rates
- Compliance with submitting enrollment and exit paperwork by program deadlines
- Site visit or other monitoring findings (if applicable)
- Timely payment of cost share
- Continued alignment with the Campus Compact VISTA program goals

Please note that AmeriCorps will make the final decision on whether or not a host site's request for an AmeriCorps VISTA project is approved.

DEADLINES

The following deadlines are based on the VISTA member's first day of service. AmeriCorps VISTA assigns all start dates. Host sites may select the start date that best fits with their project goals. Host sites who are unable to meet the selection deadline will not be given an alternative option.

ELIGIBILITY

This application is open to the following types of public organizations:

- Iowa & Minnesota Campus Compact member higher education institutions
- State and local government organizations
- Indian Tribes
- Nonprofit private organizations

Priority will be given to community organizations that have existing partnerships with Iowa & Minnesota Campus Compact member higher education institutions. Nonprofit sites should only apply if they have a demonstrated interest in building and expanding these partnerships. Please note that eligible nonprofit private organizations are not limited to those with IRS 501(c) (3) status, but, rather, all organizations with IRS 501(c) status that focus on anti-poverty community development.

OTHER CONSIDERATIONS

- Organizations that focus solely on **ADVOCACY** and **LOBBYING** are not eligible.
- Organizations that have **PREVIOUSLY SPONSORED VISTA PROJECTS** for more than three (3) years may apply with a new project and program emphasis. They must demonstrate a prior successful record in project management and achieving results.

VISTA ASSIGNMENT DESCRIPTION (VAD)

All VISTA positions must have a VAD that is approved by AmeriCorps. IAMNCC co-creates each VAD with the host site staff to ensure the VAD accomplishes the goals needed by the host site and is compliant with AmeriCorps regulations. The purpose of the VAD is to articulate the specific objectives and activities of the proposed VISTA project for this coming year, and only this one coming year. If selected, this document will be used throughout the year to help IAMNCC, the site supervisor, and the VISTA identify priorities and monitor progress. A copy of the VAD is provided to the VISTA member when they begin service.

The VAD is composed of 3 parts:

- **Goal of the Project:** This describes your VISTA project's overarching goal.
- **Objectives:** Objectives are based on the goals outlined in the application. Objectives should be measurable. Often, a solid VAD has 3-5 objectives.
- **Activities:** Activities are the specific tasks that the VISTA would need to carry out to achieve the objectives. There will likely be several activities per objective.

Please be as concrete and realistic as possible in writing the VAD. You may increase or decrease the number of objectives and activities in the template, as needed. The template is linked to in the application itself and available for download below.

EXAMPLES OF APPROPRIATE VISTA ACTIVITIES

Post Award Responsibilities

BASIC REQUIREMENTS

Iowa & Minnesota colleges and universities participating in the Campus Compact VISTA program must be members of Campus Compact. Iowa or Minnesota public organizations participating in the Campus Compact VISTA program should have existing partnerships with one or more of our higher education institution members and be seeking to strengthen those partnerships through the VISTA position.

Host sites develop and manage projects with the involvement of the communities that will be served. The beneficiary of any VISTA initiative are those living in poverty. The goal for every VISTA program is for the host site to sustain the VISTA member's outcomes beyond the service term. Host sites must be able to:

- Direct the project
- Recruit and supervise the VISTA member(s)
- Provide necessary administrative support to complete the goals of the project.

FINANCIAL CONTRIBUTION

A. Cost Share

IAMNCC host sites are required to pay cost share based on the successful recruitment of their AmeriCorps VISTA position(s). The cost share rates for the 2020/21 program year are as follows. **COST SHARE PAYMENTS WILL NOT BE RETURNED UNDER ANY CIRCUMSTANCES.** Delayed cost share payments may delay the start of the VISTA member in the program.

\$5,500	New partners and returning partners that are in their third or fewer year of partnering with Campus Compact.
\$8,750	Continuing VISTA projects who are in their fourth or greater year in partnership with the Campus Compact VISTA project.

Waivers

Partners that are in the fourth or greater year may request a waiver from the increased cost share amount in their application. Campus Compact will consider waiving the increased cost share amount if the VISTA project site can reasonably demonstrate the following.

Submitting a waiver request does not guarantee the applicant the waiver will be approved. Campus Compact holds the final decision on all waiver requests.

The fourth year VISTA project is substantially different from previous programs. This may include, but is not limited to;

- The project is benefiting a different department or office
- The project is focused on a different beneficiary group
- The project is aligned with a different priority area (Health, Education, Opportunity)
- The project was unable to be completed in three years due to compelling circumstances beyond the control of the host site

Discounts

IAMNCC is offering \$1,000 discounts to cost share payments if the host site provides additional benefits to the AmeriCorps VISTA member. To apply for the discount, host sites should describe the estimated costs and benefit that they are providing the AmeriCorps member. Benefits must support the VISTA member's living costs and cannot include project-related costs that the host site is already responsible for supporting. Living costs include, but are not limited to, housing, food, among others. Project related costs include, but are not limited to, project-related travel, parking, supervision costs, office supplies, among others.

B. Project Costs

In addition to supervision and training, host sites are required to provide their VISTA with:

- a personal workstation/desk and office supplies
- access to a computer with current software and an individual internet account
- technical support for computer
- a telephone with personal voicemail
- at least one professional development opportunity
- reimbursement for local travel necessary for the position
- parking permit or bus pass if necessary

C. Member Support

Host sites are encouraged, but not required to provide any of the following to their AmeriCorps VISTA members.

- Sites may choose to provide a housing subsidy. Funds must be paid directly to a landlord, not to the VISTA. Sites who have housing options, may also provide free housing to the member.
- Grocery cards
- Gas cards/Public transportation pass

HOST SITE RESPONSIBILITIES

- Pay the cost share
- Lead recruitment and selection efforts to find a VISTA member
- Draft a VISTA Assignment Description (VAD) to include VISTA member activities, goals, and outcomes
- Provide housing support and/or meal assistance, if possible, for the VISTA member
- Identify a staff member to serve as a supervisor for the VISTA member, who will provide ongoing supervision
- Design and offer On-Site Orientation and Training to VISTA member and submit the plan to IAMNCC
- Provide a work station for the VISTA member that includes a computer and phone
- Submit quarterly progress reports
- Assist VISTA member in completing reports for IAMNCC and submitting required documents to AmeriCorps VISTA

- Verify VISTA member attendance
- Allow for VISTA member to attend required IAMNCC trainings

VISTA MEMBER RECRUITMENT & PLACEMENT

A. Recruitment

Campus Compact supports the VISTA recruitment, interview, and selection process by providing relevant materials and templates, and by posting each host site's position on the AmeriCorps website. Host sites are responsible for the other aspects of recruitment, including writing the position description, publicizing the position, reviewing applications, and interviewing and selecting candidates. This process allows sites to identify VISTAs based on the skills, traits, and experiences they consider most important for their specific position, organization, and community. *Any site that does not have a VISTA selected and paperwork completed by the final deadline established by AmeriCorps will lose its VISTA slot for the 2020-21 program year.*

B. Member Eligibility

Individuals must meet the following eligibility requirements:

- Members must be at least 18 years of age or older
- Members must have a High school diploma or equivalent
- Members must be a U.S. Citizens, U.S. Nationals, Lawful Permanent Resident Aliens, and persons legally residing in a state that have the following legal residency classifications: refugee, asylum or asylee, temporary protected status or deferred action for childhood arrivals (DACA) status. (By law, only VISTA members who are either: U.S. Citizens; U.S. Nationals; or Lawful Permanent Resident Aliens (sometimes referred to as "Lawful Permanent Residents"), are eligible to receive an AmeriCorps Segal Education Award in lieu of a cash stipend.)
- Members must not be listed on the National Sex Offender Public Registry

Conducting Department of Justice NSOPR Database Search

The AmeriCorps Regional Office administering the related project conducts a database search on the Department of Justice's National Sex Offender Public Registry for each VISTA candidate before that person's application is approved. This search is conducted upon receiving the application from the sponsoring agency that has recommended the applicant.

Citizenship Verification

A VISTA candidate's Social Security number and citizenship status must have a "Verified" status by the Social Security Administration (SSA) prior to the candidate's placement. Verification by SSA is an automated process in the My AmeriCorps portal that takes place immediately after Iowa Campus Compact selects a candidate. If the Social Security Administration rejects or does not verify a candidate's status (indicated as "Returned" status in the portal), the system notifies the IACC and requests additional documentation. IACC follows up with the host site to notify the candidate. The VISTA candidate then submits the additional required documents to the National Service Hotline for

verification by the VISTA Member Support Unit. VISTA members cannot be activated without verification of their Social Security number and citizenship status by the SSA.

REPORTING

Host Sites are expected to complete the following reports on the success of their VISTA project.

Attendance Certifications – Each supervisor must certify that their AmeriCorps VISTA member is actively serving the site. We anticipate it takes 1 to 5 minutes to complete the report.

Quarterly Reports – The host site completes a quarterly report that updates IAMNCC on performance measure data and project updates. We anticipate it takes 60 to 90 minutes to complete each report.

Member Reports – AmeriCorps VISTA members complete bi-monthly reports on the support, training, and professional development they are receiving by the Host Site. We anticipate it takes 30 to 60 minutes to complete the report.
